Citar un máximo de 5 publicaciones relevantes de los últimos años.

**IDEA DE PROYECTO / PROJECT IDEA**

TÍTULO/TITLE

ACRÓNIMO/ACRONYM

**DESCRIPCIÓN/DESCRIPTION.** Short description of the idea which you intend to accomplish by highlighting the specific problems/challenges to be tackled, the objectives, and the methodological approach (100 to 200 words).

**JUSTIFICACIÓN/JUSTIFICATION (100 to 200 words)**

- What are the social needs and/or strategic importance? Does it take into account current politically relevant international issues?
- What is the European added value? Will the idea fill strategically important research gaps at EU level?
- Does this idea support any EU policies beyond the research? Can it be linked to any existing European research agenda or roadmap?
- How does the idea relate to the existing EU research landscape in the field?
- What makes your idea outstanding compared to other funding activities in that field?

**CONSORCIO POTENCIAL (RED DE CONTACTOS) / POTENTIAL CONSORTIUM (NETWORK).**
